last arrived and the curtains are rising. As
each act appears, we hope the events spot-
lighted will bring very pleasant memories to
you of your 1957-1958 school year at South-

Top Billing Goes to . . .

We, the students of Southern Pines High School, have chosen you, Pauline Miller, for the leading role in this THE 1958 LANCE. You have always been a star in our high school phase of life, a bright and shining star. You have never failed us, but you have always encouraged and led us in the right direction so that we too will become stars. You will be long remembered by each and every one of us even after we have gone our several and separate ways. To you, Pauline Miller, we would like to say thank you for being the star of all stars during our high school careers.

*I can't think of anything to say
but Good Luck to co-lead

James Bowers was elected team captain, and he won the coveted James Milliken Memorial Award for most valuable player, given by the V.F.W.

The “Blue Knights” did real well in their first season of 11-man football playing in the tough Cape Fear Conference. The Squad started the season with a small squad and only one returning starter from the 1956 team. Head Coach Irie Leonard brought the team through the season very well and prospects are considerably better for the 1958 team.

The 1958 team suffered several key losses from 1957, but they are expected to have an average season. Two left-handed boys, John Van Benschoten and Steve Smith are expected to lead the pitchers. Southern Pines is defending its Moore County Tournament Championship. We are looking forward to a successful season.
